

CODE OF ETHICS

Unilock Authorized Contractors are dedicated to providing excellence in workmanship for their clients at all times.

Unilock Authorized Contractors **uphold the principles of honesty and integrity** in dealings with customers, prospective customers and suppliers, ensuring that **all transactions are conducted diligently and in good faith** and that the property, possessions and feelings of customers are **respected at all times**.

Unilock Authorized Contractors **will not compromise any aspect of their business** practice that may jeopardize the project, their own reputation or the reputation of Unilock.
