# PREMIUM QUALITY NATURAL STONE

**FOR OVER 40 YEARS, UNILOCK HAS LED THE LANDSCAPE INDUSTRY** with the best selection of manufactured hardscape products. Today we are pleased to extend our reputation for uncompromising quality to an impressive line of premium natural stone from India.

Premium Quality Natural Stone from Unilock is not only aesthetically beautiful, but has also been selected based on its low water absorption, incredible freeze-thaw durability and strength, especially significant in the colder regions of United States and Canada.

## PREMIUM QUALITY

# NATURAL STONE

The long-term performance and slip-resistance of Premium Quality Natural Stone from Unilock make it an excellent choice for many applications. It features a low-profile thickness which is particularly well-suited to a concrete or wooden deck overlay where height or weight of the material might be constrained.

Premium Quality Natural Stone from Unilock should always be installed by a qualified contractor for best results. Refer to the Unilock Natural Stone Installation Guide for complete installation specifications.

Fairstone is your assurance that these products are quarried and processed to the strict standards of the ethical trading initiative, ensuring that no child labor is used, fair wages are paid and safe working conditions are maintained.

### Lifetime Guarantee

Unilock was the first company in the industry to offer a Transferable Lifetime Guarantee. This guarantee now also covers Natural Stone from Unilock.

Unilock provides a Transferable Lifetime Guarantee on the structural integrity of our paving stones, slabs, retaining wall units and natural stone for residential use. Any materials installed and maintained to our guidelines, and subject to normal wear, that prove defective, will be replaced without cost. Color matching cannot be guaranteed and replacement labor is not included. Registration is required and must be complete within 60 days of your dated proof of purchase.
